

HOT DOG[®]

Patient Warming

Breakthrough

featuring

ThermAssure[®] Conductive Fabric

No Hot Air... No Water...

Over 30 years ago I invented Bair Hugger® warming. Now, to address your concerns about air and water systems, I have developed the first conductive fabric warming for veterinary use.

Hot Dog® patient warming is great for cats, dogs, exotics and more. I am confident it will help you provide the most effective, safe, and economical solution to meet all of your patient's warming needs.

Warm regards,
Scott Augustine, M.D.

Hot Dog blankets can be used over, under or around the patient.

Warm one or two patients at the same time.

Hot Dog warming represents a significant breakthrough in technology and features our patented ThermAssure® fabric.

- ThermAssure's conductive polymer responds to low-voltage, direct current by becoming uniformly warm without hot spots.
- A sensor in the blanket continuously monitors electrical resistance...maintaining the perfect temperature at all times. A second sensor provides a safety back-up.

Satisfaction Guaranteed!

Just Safe, Even Warmth.

“The Hot Dog patient warming system provides a superior means for perioperative thermoregulation.”

- Iowa State University clinical study

| | Hot Dog | Hot Air (Bair Hugger) | Hot Water |
|--|-----------|--------------------------|-----------------|
| Effective warming | ✓ | ✓ | |
| Even heat distribution | ✓ | | |
| Low ongoing costs | ✓ | | |
| Durable waterproof blankets | ✓ | | |
| Easy to clean | ✓ | | |
| Won't dry EKG lead or mucous membranes | ✓ | | ✓ |
| Maintenance-free controller | ✓ | | |
| Quiet operation | ✓ | | ✓ |
| Fast warm-up time | ✓ | ✓ | |
| Small and light for ease of use | ✓ | | |
| No blowing air on surgical site | ✓ | | ✓ |
| No hot air blowing on you | ✓ | | ✓ |
| Cable easily fits through cage slats | ✓ | | ✓ |
| Won't incubate bacteria | ✓ | | |
| Environmentally friendly | ✓ | | ✓ |
| Energy Efficient | 100 watts | 800 watts | up to 800 watts |

Don't hesitate to ask us how we compare to other warming blankets. There is a difference!

Based on Bair Hugger Model 750 Service Manual. Bair Hugger is a registered trademark of Arizant Inc.

Blankets:

- No wires as a heat source
- X-ray translucent fabric
- Durable and reusable

Available in five sizes:

| | |
|--------|-----------|
| XSmall | 10" x 12" |
| Small | 10" x 23" |
| Medium | 16" x 22" |
| Large | 22" x 31" |
| XLarge | 27" x 47" |

Controllers:

- Quiet operation
- Lightweight
- Maintenance-free
- Free-standing or IV pole mountable
- 2 separate over-temperature alarms for safety

110-240V AC input

48V DC low voltage output

Exam Table Covers *to reduce anxiety!*

- Stop paws from slipping
- Pets feel safer
- Cover cold table surfaces

Low cost
Waterproof
Easy to disinfect

Exam table covers can be used on most surfaces, including Formica and stainless steel. Convenient 20" X 40" size fits most exam tables. Great for scales too!

The table cover's polyethylene material can be quickly cleaned with your existing disinfectant.

The adhesive backing sticks to the exam table and leaves no residue when removed. Low cost allows replacement on a daily or weekly basis.
