

# Shona & Hanna

tables by **iM3®**

## iM3 Shona and Hanna Veterinary Dental Table

The iM3 Shona and the new iM3 Hanna, veterinary dental tables with all the quality and reliability you expect from iM3. Compatible with the unique iM3 Dental Tray, with edge to edge drainage, anti-spill wave breakers and easy cleaning. The larger iM3 Shona can also double as a consult table. Whereas the iM3 Hanna has a shorter length making it ideal for cats and small dogs.

- Stainless steel
- Electro Polished frame for better anti-bacterial properties
- Motorised lifting column made from anodized aluminium profile
- Wired hand control for operating the lifting column
- Heavy duty, hospital grade castors with total lock brakes
- Tabletop (without iM3 Dental Tray):
  - Shona** - 1200 x 600 mm
  - Hanna** - 900 x 600mm
- Tie down hooks to secure the patient
- Adjustable Height: 530 - 1100 mm
- Safe workload: 150 kg
- Two year warranty
